What we offer to you:

- Display of your Live position in our Mount Everest 3D map during your expedition
- Your personal profile in our Athletes List with your details (name, photo, short description, weblinks, blog with updates)
- Licence to embed our Mount Everest 3D world on your website
- Correction of strong position outliers (because the GPS positions can be incorrect, e.g. close to steep mountain walls)

In turn to using our 3D live tracking at Mount Everest, you agree that you ... :

- Provide us at minimum 10 photos in high resolution (12 megapixels): these can be photos of you and your team during the expedition, on Mount Everest summit, of you with a smartphone using our Mount Everest 3D app, of your camp sites during the climb etc.
- Posts on 3D RealityMaps in your social networks, especially in Facebook with every post:
 - Facebook: 3D RealityMaps (@realitymaps)
 - Twitter: 3D RealityMaps (@realitymaps)
- Display of our logo, name and web links on your website
